2019 EMERGENCY MEDICAL SERVICES FUND DRIVE

**WHEN YOU NEED OUR HELP,
WE ARE THERE...
NOW, WE NEED YOUR HELP!**

As our community continues to grow, so does the need for emergency services. Each year the number of requests for emergency medical services rises. Our current call volume can average up to 20 calls per day. This increase in demand has caused our operating costs to grow tremendously...and you can help us help serve the community. Please consider giving to the Joppa Magnolia Volunteer Fire Company, Inc.'s EMS fund drive this year.

Our current need is to refurbish one of our ambulances by transferring the patient care compartment onto a new chassis and engine. This process costs approximately \$150,000 - a savings of over \$150,000 compared to purchasing a new ambulance.

**YOUR DONATIONS ARE USED TO COVER OUR
OPERATION COSTS, WHICH INCLUDE FIRST AID
SUPPLIES, TRAINING AND EQUIPMENT.**

BECOME A VOLUNTEER

Joppa-Magnolia VFC is seeking new members for our team. We have both emergency and non-emergency volunteer opportunities.
